St. Vincent de Paul- Lent is a call not just to "give up something" but more important to "give something for the poor." Wherever you live in the parish, there are poor families within walking distance of your home. When in need, they ring the rectory bell. They are, in effect, ringing your doorbell. **Is there a family you know who needs assistance? Please call the Church office or a Priest so that together we can help the poor, the suffering, and the deprived.**
