Students may purchase school lunch or bring lunch from home and purchase milk. Lunch and milk tickets may be purchased in the office for an entire week or month. Meal price (includes one milk) is **\$1.80** for children in grades K-6 and **\$2.00** for those in grades 7-8. Milk can be purchased for **\$.35** each. Free and reduced lunch prices are available for those who qualify. Adult lunches are **\$3.50**; please call the office by 9:30 a.m. if you plan to eat lunch with your child that day.

Students in grades 7-8 may purchase an additional entrée for \$1.00 when available. Second offerings of side servings may be available without charge. If parents do not choose to have their child purchase seconds, they should provide a written authorization to the school office.

Lunch money will be recorded through a computer program, Winsnap. Parents may monitor their child's account through www.mylunchmoney.com using a student number provided by the school office. Money can be deposited to the account electronically; there is a fee for each transaction.
