

North American M A R T Y R S C a t h o l i c S c h o o l

Everyone is asked to be kind! Everyone is striving to “choose love”! Everyone is asked to never be mean to another student in the school. However, sometimes it happens. But we were able to celebrate those who stand above the rest when it comes to being kind to others. Today, after Mass, we gave out movie tickets to the students who stand above their classmates in kindness. Each student received a ticket for a movie to go with an adult and two drinks at the theater. It’s quite the gift and hopefully they understand why they earned it. I’m sure there are MANY students who deserved to receive some that didn’t... in fact teachers nominated MANY more and we had to cut it down because we had a limited number of tickets. It makes me so proud that we had NO TROUBLE getting these all handed out and we wished we had a ton more. We do have a wonderful school and your children are the reason for this. Thank you for raising them in the faith and teaching them to treat others like Jesus.

God bless you, Sr. Janelle

Fathers Day

Dear North American Martyrs School Fathers:

As fathers we are called to lead, guide and protect our children and families. Prayer is the greatest gift we have to give us strength and enable us to provide all three to our children.

On May 2nd I am asking you as fathers to join together at North American Martyrs School to say the Rosary together for your children before morning mass.

The power of all us joining together to pray the Rosary for our children, will leave an imprint on their lives, and make it known to them we are always with them.

We have chosen May 2nd because it is National Prayer Day, and the theme this year is "Love One Another". This coincides with what our children say after mass "God is love. Choose Love".

We look forward to seeing all of you Fathers there.

Sincerely,

Matthew Schepers
