Essay: Please attach a short essay. Tell us a little more about yourself, your activities at school, and most importantly, why attending this event and being involved in youth ministry is important to you. What do you hope to learn or gain by attending this event?

Event Journal: Also, per the requirements of all scholarship recipients, shortly after the event you are required to write a page-long journal detailing your experiences of the event you attended. Where did you go? What did you do? What did you learn? Did you enjoy the event, would you go back, and would you recommend it to your friends? These are just a few questions to guide your writing. Tell us what you think! Essay should be approximately a page long, written or typed (12 pt font, 1.5 spacing.)

This essay is important because we can post your stories online for other students and parishioners to read. Then they will know that our scholarship funds are going toward worthwhile causes and that you students are enjoying yourselves and growing in your faith through these events. It may also help your classmates and younger students to see that you enjoyed the event, and maybe they will be moved to go to these events in the future! Please help advertise and evangelize these events for the future!
