"Just leave everything in the Sacred Heart and begin again with joy" ... Mother Teresa.

If Mother Teresa could just be my personal companion in life, I feel like I would smile more and remember to remain close to the Sacred Heart. Recently, I had been blessed with an awesome experience with the Sacred Heart. If you look at the image, you see the crown of thorns reminding us he bore and continues to bear our wounds. You see His beautiful heart screaming out to love us and flames that burn with a desire to consume our hearts. We are so lucky!

When you turn on the news, it's easy to get discouraged or afraid, but look around friends....we have so much to be thankful for. We have Jesus and His Sacred Heart literally on fire with love for us. God is so good! Many of our teachers share my devotion to the Sacred Heart. Wouldn't it be so awesome if we could begin anew with joy like Mother Teresa asks if we really did leave everything to Him?

God Bless You,
Sister Janelle Buettner

Scrip? What is Scrip?

These are gift cards that can be purchased from the school office. They are from a number of our local restaurants and department stores like Raising Canes, Hy-Vee, and Amazon! In purchasing these gift cards, a portion of the profits are given back to North American Martyrs.

Example: \$100 Hy-Vee Gift Card (NAM receives \$3.00)

Scrip profits have supported our Youth Ministry Program, paid for all of the church pews, the shed, and other parish projects.

These make gifts or even to use for your everyday shopping! Happy Shopping!

"On Monday, 4B had Heritage School Covid style! The students got to experience a day in the life of a pioneer student. They zoomed with the Heritage School teacher and learned about life in the 1880s. They learned how to make butter and how to grind corn for cornmeal. The day looked different than other years, but the students still had a blast!" Ms. Stadler
