

2021-22 Rule 14 Nonpublic Schools Annual Report

School Principal: Sr. Janelle Buettner

School Philosophy

North American Martyrs Parish School seeks to fulfill the mandate of Christ to teach the Gospel to all people. (Matthew 28:18-20)

As a religious institution, the school seeks to assist Catholic parents in their duty as the primary religious educators of their children by teaching ecclesial doctrine and building community through common prayer and Christ-like service.

As an academic institution, the school seeks to work in partnership with parents in the spiritual, intellectual, emotional, social, and physical development and growth of their children in harmony with the specific and unique gifts God has given to each child.

Mission Statement

We, the Family of North American Martyrs School, build up the Kingdom of God, as we work together in faith, knowledge, and loving service.

What makes NAM unique?

Our school follows a specific quote each school year. For the 2021-22 school year the quote NAM followed, "In every young person, a point of goodness is accessible." The patron saint was St. John Bosco. We would end each school day in prayer and say this quote at the end of each prayer. The classrooms participate in projects throughout the year together, but the most popular and the one that gets the students most excited is making gingerbread houses before Christmas break. The preschool classrooms partner with the 8th grade classrooms. The preschool students each have 8th grade students sit with them to put them together. The 8th grade students look forward to this and it's part of making their 8th grade year extra special. It's a fun memory for all of them.

North American Martyrs had 37 students receive the sacrament of First Communion. We had 48 students receive the sacrament of Confirmation.

Student & Staff Data

<u>Student Demographics</u>								<u>Staff Information</u>				
Grade	Male	Female	White	Asian	Black	Multi Ethnic	Pacific Islander		Administrators	Teachers	Associates/paras	Non Certified staff
