

North American Martyrs School Drop Off & Pick Up 2023/2024

- For both morning drop-off and afternoon pick-up, follow the yellow lines below to follow the flow of traffic. This helps to avoid congestion on the main streets. Do not enter heading north on NW 10th St from Highland Blvd.
- Enter the lot only from the North side (Isaac Dr) and Exit on the East side (NW 10th St).
- When pulling up in front of the school, pull all the way forward to the second crosswalk by the Preschool doors.
- Please do not stop your car in the crosswalks.
- Please do not get out of your car to help them out in the drop off lane.
- If you want to park and walk your kids up to either crosswalk, you may enter off Isaac Drive and park in the lot. After school, you must also park your car and walk to the crosswalk to pick up your kids if you choose not to wait in the car line. **There is no dropping off in the parking lot unless you walk your kids to the crosswalks.**
- We ask everyone to please use the crosswalks, even if attending mass.
- Please be patient – we are working hard to keep everyone safe while moving cars in and out as quickly as possible. Know that you may have to stop twice in line to allow a Preschool parent to drop their child off in front of the Preschool Doors. Thank you!!
