

# North American M A R T Y R S Catholic School

As we approach the holidays, we have many wonderful things planned at Martyrs. One of them is a food drive for Catholic Social Services. We are passing out one bag per family today, and ask that you please return them by November 18th with the items requested on the bag, as well as any other non perishable food items you wish. This is a simple way to teach children how to reflect God's love to others, especially during this season of giving. Thank you for always making it possible to give a large amount. Let's try to top what we've done in the past. God is so generous and merciful to us, let's mirror his mercy in giving. God Bless, Sr.Janelle
