Why is School Choice so important? This morning, the 6th grade students, their teachers and I went to the School Choice rally at the Capitol Building. It was a nice celebration and there were many children there. It was an opportunity to celebrate what we have here. We have a wonderful school with amazing children and an opportunity to praise God in a school that most people in other countries can only dream of. We are free and so often, I think we forget to Thank God for it. So, let's do that. **"Thank you Jesus, for allowing us to attend, serve and send our children to Catholic Schools. Thank you for allowing tuition to be affordable and manageable for the families at North American Martyrs. And most of all, thank you so much for making yourself known to us and allowing us to celebrate your presence in our lives and in our school. Thank you for letting us live in a country that allows for us to have a choice in where we send our children to school."**
