

North American M A R Y R S Catholic School

Thanks to everyone for making GIFT such a huge success. Through your efforts, we were able to raise over \$23,000 for our new playground! I have been working hard to get this project completed quickly, as we all are ready and excited about this big improvement. Prayers would be appreciated that we can have the playground in the ground and ready to go before the first freeze!

God bless, Sr. Janelle
