

# North American M A R T Y R S C a t h o l i c S c h o o l

We have officially begun the strategic planning process! Eva Fujan, who I mentioned in a previous article, will be working with a selection of our faculty and staff in order to collect information and organize preliminary details. Part of that initial step is asking all of you to participate in a survey. (Please note the link below.) We would love for you to take this survey at your earliest convenience. Eva will be sending it to you directly as well. We love our school, but we know there is room for improvement. We ask that you help us understand what we do well, but also what areas we need to develop and reform. Please take a few minutes to fill out the survey at this link. Thank you. God Bless you, Sr. Janelle <https://www.surveymonkey.com/r/Martyrs>

## Knights of Columbus Coat Drive

It's time again for the Knights of Columbus Council 11312 Coat Drive. In October, the Knights are collecting new or used winter coats for men, women and children. All donations will be taken to Catholic Social Services for distribution. Just leave donations in the collection box in the Narthex.
