

North American M A R T Y R S Catholic School

Thanks to the Dillon grant Martyrs received this last summer totaling \$20,000, we have been able to use the IXL math program for educational enhancement, AR for reading and we just acquired new guitars for music class. More recently, we were granted another \$3000 from Dollar General's literacy program to enhance our resource room. Please pray with your children for our generous benefactors to cultivate their appreciation of these wonderful gifts.

God Bless You, Sr. Janelle sr.janelle-buettner@cdolinc.net
