

North American M A R T Y R S C a t h o l i c S c h o o l

Generositree. Yes, I know how to spell, but we are having a little fun here at North American Martyrs. We are so grateful for the generosity of our parents, and all they provide for the children and the school. Quite often, I get emails asking if there something the school needs or if the teachers need something for their classrooms. Such questions always make me ponder. Every teacher is different in their desires and every teacher has different needs, some of which I'm not aware. This year, we would like to start something that we hope will be a tradition. The teachers have written a "wish list" for their classroom

on leaves and placed them on a tree outside of the school office. If you are able to provide the item for the classroom, please take the leaf and bring it back to either the teacher or to the office. You can choose to remain anonymous if you wish. Teaching is sometimes an expensive profession for our faculty. They use a lot of their own money to help the kids learn. This is one way to help and give back. It's in no way an obligation, but I thought it could serve as an opportunity of 'generositree'. We know that we are supported by prayer and are so grateful. Thank you so much for all the ways you are generous to us, both materially and spiritually! God bless you, Sr. Janelle

Progress Reports will be handed out

**Please be sure to check the lost and found, in the hallway
between church and school!**

Pius X's annual fall cleanup will be **Saturday, October 15th from 8:00 a.m. - 11:00 a.m.** We need as many volunteers as possible to make this task go quickly. **Even if you can't make it please send your students to help.** It is a good opportunity for them to earn service hours as well. Meet at the LPAC for coffee and donuts at 8:00am. Please bring your gardening equipment, shovels, rakes, sidewalk edgers, leaf blowers, hedge trimmers, yard bags, pickups, sanders, paint brushes, etc. all marked with your name. Thanks in advance for volunteering!
