DYNAMIC CATHOLICS AT MARTYRS

We have many faithful Catholics at North American Martyrs and as we began the Year of Faith last year we kicked off a program to try and cultivate growth for even more Dynamic Catholics in our parish family. If you have not read Matthew Kelly's book, **Four Signs of A Dynamic Catholic** it will help considerably to not only understand, but to appreciate and grow to love the following methods of uniting us for the three year period of Dynamic Catholics at Martyrs.

Dynamic Catholics are passionate about their Faith and exemplify it in their 1) prayer, 2) study, 3) generosity, and 4) evangelization. In his book, Matthew Kelly cites that many Catholics take a great leap in faith following a retreat or catechetical experience. The parents of children at North American Martyrs Catholic School are **required** to attend at least one of the following in the next three years (September 2013 – May 2016) if they have not already. We have a record of past event attendance. If you do not satisfy the requirement, you will be charged an additional \$500 and your children may not be able to attend the Catholic school beginning August 2016. We want you to attend and enjoy a faith building event.

Please check those you are interested in and watch the bulletin for more information and to sign up.
