

# North American M A R T Y R S Catholic School

This Friday, October 13th, marks the 100th year anniversary of the miracle of the sun at Fatima. I believe Our Lady's message from a century ago is just as pertinent today as it was then. Great things can be accomplished through prayer! We will be celebrating this momentous anniversary and the Feast of the Rosary with several activities.

There will be an intro before Mass, as well as a rosary following Mass. We would love to have your families join us! In the afternoon, all classes will receive ice cream sundaes and will be watching "The Day the Sun Danced." I encourage you to share in our celebration by adding your own family prayers of thanksgiving! God bless you, Sr. Janelle

There will be **no school on Monday, November 27** so that all teachers can attend a curriculum workday required by the diocese. We did the research to know that LPS does not have school at the elementary level that day and there is daycare provided at the YMCA that day. Attached is a flyer with the information. Sign up right away as space is limited!
