

North American M A R T Y R S C a t h o l i c S c h o o l

What a glorious first day of school. The rain stopped in time for everyone to gather outside and meet their teachers. Thank you for your patience during drop off and dismissal this week. It will be great to have the entire driveway next week, and we promise the dismissal will go even faster. We have a good system and our teachers are amazing; just follow their directions and everyone will be safe.

Our theme this year is **God is love; choose LOVE**. You will be hearing more about that as we teach the children to make a choice and be loving to one another.

Your children are precious. Thank you for entrusting them to us. Know that I am available if you have questions or concerns.
