

North American M A R T Y R S Catholic School

Well, sometimes it's a mess, but we are so blessed. This year has brought us an incredibly beautiful addition. The teachers are working in it and classes are busy at work while we wait for the new library and para rooms. Thank you so much for your support and help in moving and all the help you have given us as we transition. Even my office had a great transformation which has been fun. We are still trying to get used to the new set ups, but as we do, we find they are so helpful. Remember to find time to thank God today and always for all the wonderful things He has provided for us. It may be a mess, but we sure are blessed!
