Full day preschool has been a wonderful success already! The teachers Diann Kroos and Michelle Wemhoff, along with the veteran Mary McMichen have put together a curriculum that is going to be amazing and they have been able to implement so much of it already. Whenever I go down there I see such wonderful lessons and the kids are completely engaged. Most importantly they are learning about Jesus. Both sections have been to Mass at least once with the children and we have been blessed to see them learn to walk in a line and use fine motor skills in ways you wouldn't think possible so soon in the year. And we don't have to say it, but the innocence in the school is amazing. We are so blessed. Thank you to all the parents who have entrusted their children to us for this first year. It was a leap of faith, but I don't think anyone will regret it. God bless you, Sr. Janelle
