

# North American M A R T Y R S Catholic School

What a week! So much to talk about. Scarlett Lewis was wonderful. I think those of you that were there can safely say that you enjoyed it. Here is a website for you to look over: [www.jesselewischooselove.org](http://www.jesselewischooselove.org). You can look at the children's curriculum and eventually there will be a parent program. You can purchase Scarlett's book, Nurturing, Healing, Love, for \$20 from the office as well. We also have the new t-shirts. God is love, North American Martyrs, we choose love. They are on sale for \$15.00 and can be worn on Fridays. There is an order form attached. We will be accepting orders until November 8th.

Lastly, today we got over \$10,000 worth of school supplies and art supplies for the new art room from NelNet, classbundl that just went out of Business. Thank you so much to them for supplying materials for our new art room. Also thanks to the postulants who help on Wednesdays for going with me to get a couple truck loads of supplies. What an adventure. Thank you to everyone who has been so helpful and know of my love and prayers as we enter the month of November.

God bless you,

SR. Janelle
