

Merry Christmas from the Priests at NAM.

We are very grateful and feel loved in the cards, greetings, cookies and candies that we receive as Christmas nears.

We feel a bit overwhelmed with the kindness of our faithful at this time of the year. We have posted the pictures of your families in the front office. During the Pandemic, we are grateful to be able to hear confessions, offer Holy Masses and keep the parish and school thriving. We are so blessed to have an "active" and giving congregation even during Covid. We know that many of our faithful, have made the choice, the sacrifice, to not come to Church out of safety precautions. We totally respect these choices. Every one of us has made sacrifices and yet we have persevered and remained relatively healthy, active, employed, and hopefully strongly connected to God, wherever we are through prayer.

Fr. Wahlmeier is recovering from Covid (positive test) as he experiences nearly all the symptoms in the isolation of our basement. Thanks for your prayers for him as we try to care for him in a safe manner. He has no way of knowing when or how he contracted it. We have tried to inform people he had any personal contact with.

Fr. Fleck and I will be tested immediately if we have any symptoms. Otherwise, we will continue to wear masks, wash hands and social distance ourselves when around others.

We know the Christ child was born into poverty and dangerous circumstances but that did not keep the wise men and shepherds from worshipping Him. May the Blessed Virgin Mary and the guardian St. Joseph continue to protect the Church and all those who pray. We look forward to honoring St. Joseph this new liturgical year and continue to implore the maternal love and intercessions of Our Lady of Guadalupe. Be assured of our prayer for all of you and your families at the Christmas Masses.

Sincerely in the Christ-child, *Fr. Connor, Fr. Fleck and Fr. Wahlmeier*
